## LOCAL AND GENERAL NEWS BRIEFS.

Mrs. Rose Kroll is up from Virginia City.

The Methodist church at Richlands was dedicated on Sunday last.

The Emory commencement is published for the second week in June.

Geo. R. Surface, happening to be on a flag of the street car line when it jumped the track, suffered a severe sprain of the ankle, and is on crutches as a consequence.

The little child of Mr. and Mrs. Martin, which died at the home of its parents in Norfolk, was brought here to the home of Mrs. Martin's father, Capt. Wm. E. Peery, for burial.

Most of the few from Tazewell to see Foreman's show at Bluefield went down in hacks. The railroad company did not run a special train and the regular schedule meant two nights out.

A bicycle of the best reputation and make, new and never used, which cannot be had anywhere for less than \$125 can be bought now for \$100 on reasonable terms, by applying at this office.

The man who called sarsaparilla a fraud, had good reason; for he got hold of a worthless mixture at "reduced rates." He changed his opinion, however, when he began to take Ayer's Sarsaparilla. It pays to be careful when buying medicines.

Rev. H. R. Coleman will deliver a lecture in the hall of Tazewell Lodge No. 62, A. F. & A. M., on Saturday evening, May 12. On Sunday at 11 a. m. he will preach a sermon to the public and at night deliver a lecture on the Holy Land. All members of Tazewell Lodge are earnestly requested to be present and all Master Masons in good standing in other lodges are cordially invited to be present.

By order of W. G. Young,  
JAMES O'KEEFE, Sec. W. M.

## THE JOHN ROBINSON SHOW

PRESENTING A NEW FACTOR IN TENTED AMUSEMENTS.

Solomon, the sagest and grandest of the Hebrew patriarchs, when he uttered the phrase, since become an axiom, that "there is nothing new under the sun," could he "revisit the glimpenes of the moon," would find that while his axiom still finds verification, yet that old things have become new in the reproduction and rehabilitation of the scenes, episodes and incidents characterizing his long and memorable reign. In placing before the people, by the John Robinson show, the grand biblical spectacle of "Solomon, His Temple, and the Queen of Sheba," a realistic, living illustration of the most sacred and most impressive scenes and events of biblical history is presented in vivid and entrancing form, and offers the most enjoyable and mind nourishing afternoon and evening's entertainment ever projected or conceived. The glories, the greatness and the grandeur of Israel's wisest king are lavishly portrayed, and the most salient features and incidents of his noted regal administration find apt and accurate illustration. This gorgeous and resplendent spectacle is from the master mind of Mr. John Rettig, whose former biblical spectacular productions have made him famous, and who prides himself on this, the chef d'œuvre of his art. It certainly is a masterpiece of policy in the management of the John Robinson show to thus so materially and acceptably augment their already stupendous exhibitional enterprise, which, as almost everybody is aware, is characterized as exhibiting the biggest and best circus, the most interesting menagerie and the largest hippodrome on the continent. The combined exhibitions, of which it may be said that they are given without additional entrance fee, are to display here Shureday, May 17.

## THE AMERICAN TOBACCO COMPANY.

CHICAGO, April 30.—At noon today Attorney General Moloney rendered a decision declaring that the American Tobacco Company, a combination of Virginia, North Carolina, Rochester, (N. Y.) and New York city tobacco houses, organized under the laws of the State of New Jersey, to be a trust doing business in violation of the laws of the State of Illinois, and announced that tomorrow he will file a bill in chancery against the company and two hundred leading business men of Chicago who are acting as its agents.

The opinion bristles with strong expressions against the concern.

"We would urge every one to read the advertisement of Simmons' Liver Regulator. We have never before said one word in favor of any patent medicine advertisement in our columns, but having given Simmons' Liver Regulator a fair trial, we do not hesitate to say that, for Dyspepsia and general debility it cannot be excelled."—FRED. M. CHILDS, editor "News," Kenton, Ohio.

## REPUBLICANS DEMORALIZED.

WASHINGTON, April 30.—The Republicans have been badly demoralized since they learned that it was practically settled that Democratic opposition to the tariff bill would be overcome by friendly concessions. It destroyed their last hope of defeating tariff reform. Senator Harris, who is in charge of the bill, made some very visible remarks in reply to taunts from Senator Hale, concerning the proposed concessions. He said: "I undertake to assert, with absolute confidence, that there never was in the history of the government a tariff bill framed by either party, there never will be a tariff bill framed by either party, which has not been and will not be a compromise between the conflicting parties. I shall not hesitate to entertain any proposition, and if it makes a reduction from the McKinley law, however objectionable it may be to my views, I would seize on it. The crucial question is, shall we continue the infamy of the McKinley law, or adopt a new bill which is not entirely agreeable to me or to other Senators."

## GUARANTEED CURE.

We authorize our advertised drug gist to sell Dr. King's New Discovery for Consumption, Coughs and Colds upon this condition. We could not make this offer did we not know that Dr. King's New Discovery could be relied on. It never disappoints. Trial bottle free at A. F. Hargrave's drug store. Large size 50c. and \$1.

## HOW TO BE BEAUTIFUL.

It was not intended that every woman should be beautiful, but thousands of women are homely, not because the Lord made them so, but because they just jumped into it. Nobody is to be blamed for having a broken nose, unless it was broken while sticking itself into other people's business, but there is no excuse for a muddy complexion or a scaly skin or a face adorned with blotches like black men on a checker board. These things mean impure blood and impure blood can always be purified by the use of Dr. David's Iodo-Ferrated Sarsaparilla. For sale at A. F. Hargrave's, Tazewell, and C. W. Greover's, Graham, Va.

## Neurotic Persons

And those troubled with nervousness resulting from care or overwork will be relieved by taking Dr. David's Iodo-Ferrated Sarsaparilla. Genuine has trade mark of a man with a bow.

## A CHILD'S QUESTION.

"What do the Senators do, papa?"  
The United States Senators do?"  
"They are patriots tried and true."  
"But what do the Senators do papa?"  
The United States Senators do?"  
"Oh, they talk and debate for the good of the State."  
They are statesmen loyal and true."  
"But what do the Senators do papa, The United States Senators do?"  
"Each talks in turn until they adjourn. They are workers stern and true."  
"But what do they do, papa."  
These United States Senators do?"  
"Oh, their speeches are sound and very profound."  
They are orators wise and true."  
"But what—what do they do, papa, Oh, what do they do, I pray?"  
"Oh, they draw their pay in the regular way."  
In the old immemorial way."

—St. Louis Post.

## A Gentleman

Who formerly resided in Connecticut, but who now resides in Honolulu, writes: "For 23 years past, my wife and I have used Ayer's Hair Vigor, and we attribute to it the dark hair which she and I now have, while hundreds of our acquaintances, ten or a dozen years younger than we, are either gray-headed, white, or bald. When asked how our hair has retained its color and fullness, we reply, 'By the use of Ayer's Hair Vigor—nothing else.'"  
"In 1868, my affianced was nearly bald, and the hair kept falling out every day. I induced her to use Ayer's Hair Vigor, and very soon, it not only checked any further loss of hair, but produced an entirely new growth, which has remained luxuriant and glossy to this day. I can recommend this preparation to all in need of a genuine hair-restorer. It is all that it is claimed to be."—Antonio Alarum, Bastrop, Tex.
